WHEREAS, the three consecutive typhoons that coursed through the country in the past weeks, along with the impacts of the southwest monsoon, have caused moderate to severe flooding in several areas within the municipality;

WHEREAS, the areas of San Miguel Subdivision, Ciudad Grande Subdivision, Lagundi St., Titanic, Home At Last, Homeville Subdivision, G. Borja St., the area of Muzon Elementary School, and several other areas nearby were not spared from the flooding;

WHEREAS, the aforementioned areas are all within the boundaries of Lagundi Creek, a natural body of water that originates from the upper portion of Muzon (Gulod), coursing through San Francisco Village towards the area of San Miguel, and drains through the Laguna Lake at the area of Coastal Road;

WHEREAS, in an inspection done by Barangay Muzon and the office of Councilor Tobit Cruz last July 31, 2025, it was found out that the mouth of Lagundi Creek which supposedly, will connect the creek to the lake appears to be completely blocked;

WHEREAS, Chapter 8, Article 91 of the Presidential Decree 1067 also known as the Water Code of the Philippines, includes obstruction of waterways under the list of its penal provisions;

WHEREAS, the R.A. No. 7160, also known as the Local Government Code, explicitly states the role of local government units to enforce the protection of the environment in line with their mandate of promoting general welfare;
